

# Master Gardener Recertification

If you haven't already, consider recertifying as a Bonner County Master Gardener in 2010.

## *Master Gardener Recertification*

***To recertify, MG Associates need to agree to contribute 9 hours to the plant clinic and another 9 hours in other projects in 2010. We are committed to working with CMGs to maintain their status. Recertification needs to be completed one year in three to avoid having to take the basic training course again.*** These hours must have been completed by September 30, 2010.

The plant clinic is held on Tuesdays and Thursdays from May through September.

To make the commitment to recertify as a Master Gardener in Bonner County in 2010, fill out the Recertification Agreement you will be receiving in the mail or call our office to receive a copy, 263-8511. You can also get a form on the web at <http://extension.ag.uidaho.edu/bonner/>. Click on UI Bonner County Master Gardeners.

## *Associate Master Gardener status (Inactive)*

If you do not wish to commit to the volunteer service, you may 'stay in touch' as an Associate Master Gardener. Associate Master Gardeners may still attend Master Gardener social events but may not dispense advice on behalf of the University of Idaho or attend basic or advanced Master Gardener classes. ***You may maintain Associate Master Gardener status without recertifying for up to three years. After that time, you will need to take the entire basic training again.***

Thanks for your continued support!
