Upcoming important dates:

As we start to wrap up this year's master gardener year, there are a few reminders of important tasks and dates coming up:

✓***If you haven't already get your MG hours in as soon as possible!***

✓***The Learning Garden cleanup day is Thursday October 16 at 10 am.*** Please come and help clean up the garden. If anyone has a shredder we can use, we could compost the garden refuse and build a compost pile in our new bin.

✓***A program evaluation meeting will be held Thursday, October 23 at 9 am at the Bonner County Extension office.*** Bring your constructive thoughts and suggestions on training, the plant clinic and other projects. Coordinators should plan on attending or, if they cannot attend, submit a report to Mike. We will use these suggestions to improve your MG program in 2009.

✓***Master Gardener Graduation Night will be held Saturday, October 25 at the Brown House.*** Bring a friend or spouse and a favorite dish to this celebration of your Master Gardener program!

✓***The Master Gardener Christmas Party will be held Friday, December 12 at 6 pm.***

I will have a final report on this year's program at the graduation night and in the next newsletter.

Thanks for making the Master Gardener Program a success!

Mike

Learning Garden To Bed!***

### Of Interest...

- ✘ Those of you who are graduating can now have the Master Gardener logo transferred to an article of clothing at Super Tee's in the mall (next to Penney's). They have a selection of shirts there for purchase, or you can bring in your own. The logos themselves are paid for by the MG association.
- ✘ Applications for the 2009 MG Training class will soon be going out. Do you know of someone who may be interested? Have them call Patti in the extension office at 263-8511. One scholarship will be awarded by the Native Plant Society in the name of Louis Wythe, who is a Master Gardener Emeritus.
- ✘ Next Membership Meetings are Monday, Nov. 3rd and Tuesday, Dec. 2nd. You are welcome to come!
- ✘ Nativity Set—Janae Dale will be taking the Nativity set to a consignment shop in Coeur d'Alene. This is a hand carved, olive wood set donated by Jan Rumore. We are hoping to get \$400.00. Thank you Janae!
- ✘ Printer head on the printer in the plant clinic has been replaced and seems to be working! Thanks Gail Swan.
- ✘ Speaking of Gail....she will be having shoulder surgery Nov. 7. Good luck, Gail!
